Product Description

2024 2.0T 228 Horsepower L4 Mid-Size Suv Eight-Speed Automatic Transmission Nissan Paladin Petrol Gasoline Car

Product features:

Power system: Equipped with a 2.0T engine and an 8AT gearbox, it has abundant and smooth power, can provide smooth and powerful power output, and is suitable for various complex road conditions.

Off-road capability: Equipped with off-road assistance functions such as a time-sharing four-wheel drive system, front and rear axle differential locks, and tank U-turns, it effectively improves driving safety and off-road fun.

Product usage:

Family use: Paladin provides enough riding and storage space to meet the needs of daily family use and light off-road.

Urban commuting: Although Paladin emphasizes off-road performance, its modern design and comfortable driving experience are also suitable for daily commuting in the city.

Product advantages:

Intelligent system: Equipped with intelligent driving assistance systems including adaptive cruise, lane keeping assist, 360-degree panoramic imaging, etc., with L2 level automatic driving capabilities.

Safety configuration: Standard safety features such as anti-rollover system, reversing image, and hill descent control ensure the safety of the vehicle under various road conditions.

Specification:

Emission Standard	Euro VI
Maximum Power(Ps)	100-150Ps
Gear Box	Automatic
Displacement	1.5-2.0L
Mileage:	1---26000Miles
