## Product Description

Multimedia System Equipped 4\*2 Truck Tractor with Powerful 4L Engine Capacity

### Product features:

This Howo tractor is equipped with a high-performance engine, which has the characteristics of low fuel consumption and low noise. The body is made of high-strength materials, which is sturdy and durable. The car is equipped with high-end multimedia systems and navigation equipment to facilitate drivers to obtain information and entertainment. Its tires have good grip and wear resistance.

### Product usage:

Commonly used in the express delivery industry to ensure timely delivery of packages. Play an important role in the transportation of industrial raw materials, such as coal, ore, etc. It can be used for cold chain transportation to ensure the freshness of food and drugs. It is also suitable for towing large equipment, such as construction machinery and equipment.

### Product advantages:

energy saving and high efficiency, reducing energy consumption. The body is sturdy and has a long service life. Intelligent configuration enhances the driving experience. Quality tires reduce replacement costs. The brand has great influence and good market reputation.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
