## Product Description

295/80R22.5 16PR Tire Number End SINOTRUK Tractor Trucks 4\*2 6-Wheeler Diesel Engine

### Product features:

The car has an advanced electronic stability system to improve vehicle control stability. The frame has been specially strengthened and has strong load-bearing capacity. The interior is made of environmentally friendly materials and has no odor. The vehicle also has intelligent driving assistance functions, such as adaptive cruise.

### Product usage:

Used for long-distance transportation of building materials, such as bricks, sand and gravel, etc. Excellent in auto parts shipping. It can undertake long-distance transportation of fresh food. Also suitable for precise transportation of medical devices.

### Product advantages:

Electronic stability system ensures driving safety. Reinforced frame for durability. The environmentally friendly interior is healthy and comfortable. Intelligent driving assistance functions reduce driving fatigue. The vehicle value retention rate is high and the return on investment is guaranteed.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
