

12 Cubic Meters HOWO Concrete Mixer 6x4 Self Mixing Concrete Truck

Our Product Introduction

for more products please visit us on commercial-autos.com

Basic Information

- Place of Origin: Henan, China
- Brand Name: HOWO
- Minimum Order Quantity: 1
- Price: Available for negotiation
- Packaging Details: Waxing in Bulk ship, Roro ship, Container
- Delivery Time: 30-45 working days
- Payment Terms: T/T
- Supply Ability: 1,000 units per month

Product Specification

- Gross Vehicle Weight: 6001-14000 Kg
- Highlight: 12 Cubic Meters HOWO Concrete Mixer , HOWO Concrete Mixer 6x4, 12m3 Self Mixing Concrete Truck

Product Description

HOWO Concrete Mixer Truck 6x4 Concrete Mixer 12 Cubic Meters Concrete Mixer Truck

Product features:

The upper material of the HOWO mixer truck is made of high-strength steel, which ensures the durability and stability of the vehicle. The application of this material enables the vehicle to withstand multiple heavy-load operations without damage, extending the service life of the vehicle.

This model has passed more than 300 tests such as waterproof and fireproof, and has insulation monitoring, overcurrent and short circuit protection, key signal status monitoring and other functions, and its waterproof and dustproof level reaches IP67. In addition, it is also equipped with an automatic cooling system, intelligent heat dissipation, getting rid of the trouble of high temperature and high consumption of the battery, making users safer and more assured.

High-precision weighing systems and measuring instruments are used to ensure the accuracy of concrete mix ratio. Lightweight materials and designs reduce vehicle weight and improve vehicle economy and efficiency.

Product advantages:

The vehicle is equipped with high-strength wheel-side reduction double rear axles with strong load-bearing capacity, good sound insulation in the cab, and is overall more solid and safer. It also has a luxurious center console, electric glass, and airbag seats.

Create the best profit model of high speed, high efficiency, high reliability and fuel saving, and use it with confidence. The vehicle engine, gearbox, axle and hydraulic system all adopt the international top configuration and are suitable for high temperature, high pressure, high cold and high weight.

Mixer truck material: tank head 8mm thick Tai alloy steel 16 manganese steel, tank body 6mm thick Tai alloy steel 16 manganese steel, blade 5mm thick Tai alloy steel 520 steel. Additional key parts of the mixer truck: reducer, hydraulic oil pump, hydraulic motor, radiator, water supply system, air supply system

Specification:

main parameters	
Conditio	new
Horsepower	440
Segement	Concrete mixer truck
Forward Shift Number	16
Gross Vehicle Weight	14.1
Passengers	3
Rear Camera	360
ESC(Electronic Stability Control System)	yes
Steering	left
Emission Standard	Euro 6
Market Segement	Logistics and transportation
Maximum Torque(Nm)	2100
Drive Wheel	6*4
Seat Rows	1

ABS(Antilock Braking System)	yes
Touch Screen	yes
Fuel Type	diesel
Cylinders	6
Transmission Type	Manual
Fuel Tank Capacity	1000
Cruise Control	ACC
Window	automatic
Engine Brand	Weichai Power
Reverse Shift Number	2
Driver's Seat	air suspension
Multimedia System	yes
Air Conditioner	automatic
Tire Number	10
MAX SPEED	110km/h
Wheelbase	4800+1400mm
