Product Description

Dongfeng Chenglong M3 CNG Type Tractor Truck With 14 Forward Shift Manual Transmission

Product features:

This tractor is equipped with an efficient turbocharging system to improve power performance. High-quality sound insulation materials are used to reduce the noise in the car. The body has good anti-rust treatment and is durable. The vehicle's navigation system is accurate and the route planning is reasonable.

Product usage:

Suitable for cross-border logistics and transportation to expand international markets. High-end furniture can be transported without loss of quality. Plays an important role in long-distance transportation of flowers to maintain their freshness. Also used for transportation of food ingredients.

Product advantages:

Turbocharging system increases power. Soundproofing materials create a quiet environment. Anti-corrosion treatment extends service life. Precision navigation system reduces transit time. The manufacturer provides professional training services to improve driver skills.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
