Product Description

Dongfeng 6*4 Trailer Head Euro 6 Emission Standard Automatic Window Heavy Duty Truck

Product features:

This tractor is equipped with an advanced intelligent monitoring system to monitor the vehicle status in real time. Its gearbox shifts smoothly and has high transmission efficiency. The appearance of the vehicle adopts fashionable design elements and is highly recognizable. The car is equipped with a multi-function steering wheel, which is easy to operate.

Product usage:

Widely used in the rapid transportation of e-commerce goods. It can tow construction machinery to meet the needs of the construction site. Suitable for transportation of precision instruments to ensure instrument accuracy. Also used for long-distance distribution of cosmetics.

Product advantages:

The intelligent monitoring system ensures the normal operation of the vehicle. Smooth shifting enhances the driving experience. Stylish appearance attracts the eye. The multi-function steering wheel is convenient to operate. The vehicle has strong adaptability and can work stably in various environments.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
