Product Description

2024 Dongfeng Tractor 6*4 Truck Used HOWO Head Trailer Tractor Trucks With ACC Euro 6

Product features:

Features: The vehicle has excellent towing capabilities and can easily handle heavy loads. Its gearbox shifts smoothly and has high transmission efficiency. The car is equipped with a wealth of safety configurations, such as anti-lock braking system, lane departure warning, etc. The vehicle's tires are wear-resistant, anti-fatigue, and adaptable to various road conditions.

Product usage:

Widely used in the transportation of coal, ore and other resources. It can tow large agricultural machinery and assist agricultural production. In urban construction, it is used to transport various building materials and engineering equipment.

Product advantages:

Powerful towing capacity improves transportation efficiency. Smooth shifting enhances the driving experience. Rich safety configurations ensure the safety of personnel and cargo. Quality tires reduce maintenance costs. The vehicle has a high value retention rate and a guaranteed return on investment.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

Specification:
