Product Description

SINOTRUK Dongfeng Heavy Truck Tractor 6X4 Tractor 6X2 Trailer 4X2 HOWO Dump Truck

Product features:

The cab of this tractor is spacious and well laid out, providing a good view. Adopts advanced fuel injection technology to improve fuel utilization. The rear axle of the vehicle has strong load-bearing capacity and high stability. At the same time, it has an intelligent fault diagnosis system to facilitate timely maintenance.

Product usage:

Suitable for cross-regional commodity transportation and connecting markets in various places. Can transport consumer goods such as food and beverages. In port transportation, tow container trucks for cargo loading and unloading.

Product advantages:

Spacious cab improves driving comfort. Advanced fuel technology saves costs. The rear axle is stable and ensures the safety of cargo. Intelligent diagnostic system reduces repair time. High brand awareness and good market reputation.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
