Product Description

SINOTRUK Dongfeng 6X4 Tractor Head With Air Suspension And JMC 4x2 Tractor Trucks

Product features:

The car is equipped with advanced automatic driving assistance functions to reduce driving stress. The tires adopt explosion-proof technology to improve driving safety. The exterior color of the vehicle can be customized to meet individual needs. The storage space in the car is reasonably laid out and convenient for storing items.

Product usage:

Used for professional transportation of dangerous goods to strictly ensure safety. It can tow livestock product transportation vehicles to ensure the freshness of meat. Suitable for long-distance transportation of handicrafts to show artistic value. Also used for efficient distribution of office supplies.

Product advantages:

Autonomous driving assistance functions improve transportation efficiency. Run-flat tires reduce the risk of accidents. A personalized look makes it unique. Reasonable storage space improves practicality. The maintenance cost of the vehicle is low and the operating burden is reduced.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
