## Product Description

SINOTRUK Dongfeng Tractor Head 6X4 Howo Dump Truck 8x4 JMC Tractor Trucks 4x2 With 2

### Product features:

This tractor adopts a new air suspension system to improve ride comfort. The engine has automatic start-stop function, which is energy-saving and environmentally friendly. The front face of the vehicle has a unique design and is full of technology.

### Product usage:

Suitable for precision transportation of electronic equipment. It can transport building materials and decoration materials to meet decoration needs. Commonly used for emergency transportation of medical supplies. Also used for mass distribution of toys.

### Product advantages:

Air suspension system optimizes comfort. Automatic start-stop function reduces energy consumption. The unique front face design enhances the brand image. Excellent sound system enriches driving life. The manufacturer provides comprehensive warranty services to reassure users.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
