Product Description

10 Tire Number Used Tractor Truck 6*4 4*2 For Customer Requirements

Product features:

This tractor has a low engine noise and smooth operation. Its seat has multiple adjustment functions to meet the sitting posture needs of different drivers. The appearance of the vehicle adopts a streamlined design to reduce wind resistance. At the same time, it is equipped with an advanced navigation system to accurately plan routes.

Product usage:

Commonly used for transportation of fresh agricultural products to ensure freshness. It can pull cultural performance equipment and support cultural activities. Respond quickly and play a key role in the transportation of disaster relief supplies.

Product advantages:

Low-noise engine creates a quiet environment. Adjustable seat increases comfort. Streamlined design saves fuel. Advanced navigation system reduces transit time. The vehicle has high reliability and reduces the incidence of failures.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
