Product Description

Dongfeng Tractor Trucks 6*4 4*2 8*4 Dump Truck With 10 Tires And 450hp Horsepower

Product features:

This tractor is equipped with an intelligent four-wheel drive system to adapt to various road conditions. It adopts a high-strength frame structure with excellent load-bearing capacity. The vehicle's interior adopts ergonomic design and is easy to operate. The reflective markings on the exterior are obvious to improve safety at night.

Product usage:

Commonly used for transporting agricultural products in mountainous areas. It can tow industrial supplies transportation vehicles to ensure production needs. Suitable for large-scale transportation of book publications. Also used for long-distance distribution of hardware products.

Product advantages:

Intelligent four-wheel drive system enhances passability. The high-strength frame protects heavy loads. Ergonomic design reduces labor intensity. Obvious reflective markings ensure driving safety at night. The used car residual value of the vehicle is high and the investment is guaranteed.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
