Product Description

Left Steering Sinotruk Dongfeng Heavy Duty Tractor 6*4 Used HOWO 4X2 4X6 Tractor Truck

Product features:

Equipped with an advanced anti-collision warning system to avoid risks in advance. Its braking system has emergency braking assist function to ensure safety. The appearance of the vehicle adopts a streamlined design to reduce wind resistance. The air conditioning system in the car has zone control functions to meet different needs.

Product usage:

Suitable for efficient transportation of express packages. It can transport fresh aquatic products to ensure freshness. Often used for professional transportation of chemical raw materials. Also used for fashion distribution of clothing accessories.

Product advantages:

Collision warning system increases safety. Emergency Brake Assist avoids accidents. Streamlined design saves fuel. Zoned air conditioning system enhances comfort. The brand has an extensive service network and responds to needs in a timely manner.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
