Product Description

Used Dongfeng Sinotruk Howo Dump Truck 371hp 6x6 Trailer Head Tractor Towing Truck

Product features:

The tractor is equipped with an anti-collision warning system to provide early warning of dangerous situations. Energy-saving tires are used to reduce rolling resistance. The vehicle has ample storage space for tools and items. At the same time, it has automatic driving assistance functions to reduce driving fatigue.

Product usage:

Suitable for precise transportation of electronic products to avoid damage due to bumps. It can tow medical rescue equipment to ensure life rescue. Improve transportation efficiency and accuracy in urban distribution.

Product advantages:

Anti-collision warning system improves safety. Energy-saving tires reduce costs. Abundant storage space is practical and convenient. Autonomous driving assistance functions enhance comfort. The after-sales service network is intensive and maintenance is convenient.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
