Product Description

4x2 Used HOWO Tractor Truck Head With $\geq 600\text{L}$ Fuel Tank Capacity And $\geq 2500\text{Nm}$ Maximum Torque

Product features:

The car has an efficient cooling system to ensure stable operation of the vehicle for a long time. It adopts a humanized interior design and the operation buttons are reasonably arranged. The vehicle's lighting system has high brightness, improving driving safety at night. At the same time, it has strong climbing ability and can adapt to mountainous road conditions.

Product usage:

Suitable for material transportation in mountainous areas, such as daily necessities, agricultural production materials, etc. It can tow engineering emergency repair vehicles and respond to emergencies in a timely manner. In forestry transportation, forestry products such as timber are transported.

Product advantages:

Efficient cooling system guarantees performance. Humanized interior improves operational convenience. Good lighting ensures driving safety at night. Powerful climbing ability to cope with complex terrain. Manufacturers provide customized services to meet different user needs.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
