## Product Description

### Haworth 12 Square Rubbish Truck Hot Sale Large Capacity Cleaning Truck

#### Product features:

The bumper with two layers of metal protection pedal, its two sides of the one-piece angular headlights are particularly conspicuous, LED daytime running lights and corner curved turn signals have a very good warning effect. The easy-to-operate spare wheel reduces the risk of tyre leakage during transport. The National 6 diesel aftertreatment system is more complicated than the one used in the N7G LNG series, but even so, the use of many lightweight alloy parts ensures its reliability.

#### Product usage:

Compressed garbage trucks are mainly used for the flow or centralized collection of urban and rural domestic garbage. During the entire garbage collection and transportation process, secondary pollution to the environment can be avoided. Garbage trucks play a vital role in maintaining urban environmental sanitation, protecting public health, and promoting resource recycling.

#### Product advantages:

Lifting capacity of 12 square mobile refuse station, hand electric integrated, lateral locking, hydraulic outriggers, Hepress cylinders, Zhongmei multi-way valves, high-strength alloy steel one-piece main hook arm, strengthened sub-beam, cast steel tail pulley Hydraulic completion of the upper box + lower box + locking + tipping. At the same time of achieving high efficiency and environmental protection, Haworth compressed rubbish trucks also focus on the comfort and humanised design of the vehicle. Haworth-latest model-luxury cab

#### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

#### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

#### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

#### Specification:

Gross mass(kg)	19000
Maximum speed(km/h)	115
Equipment mass(kg)	12310
Discharge time(S)	≤50
