Product Description

Howo Dump Trucks 6x4 Tipper Dump Lorry Truck With Cargo Tank Dimension 4150X2300X2300

Product features:

This dump truck is equipped with a high-horsepower engine, with surging power and stable output. Its carriage is made of thickened steel, which has strong resistance to deformation, and the surface has been specially treated to be rust-proof and wear-resistant. The vehicle is equipped with an advanced hydraulic system, with fast lifting speed and smooth operation. In addition, the interior design of the cab is user-friendly, with reasonable layout of operation buttons and comfortable seats.

Product uses:

Suitable for large-scale infrastructure projects, such as the construction of highways and railways, and the transportation of earth and stone and other materials. In urban reconstruction projects, responsible for cleaning up construction waste. In coal mines and mines, coal and ore can be transported efficiently.

Product advantages:

Powerful power ensures efficient operation. Rugged and durable carriage extends service life. Advanced hydraulic system improves unloading efficiency. The comfortable cab enhances the driver's working experience. Vehicle maintenance is simple and accessories are readily available. Moreover, it is cost-effective and has a considerable return on investment.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.
