## Product Description

### Double Wish Bone Suspension Dongfeng Rich 6 Cash Transport Truck With 8AT Transmission

#### Product features:

The pickup truck's cargo bed is spacious and practical, treated with anti-rust coating, durable and easy to clean. The vehicle is equipped with an advanced suspension system that effectively absorbs shock and improves driving stability. Its braking performance is excellent, and the braking is sensitive and reliable. The exterior design is fashionable and dynamic, and the unique wheel shape is very personalized. The power system adopts energy-saving technology to reduce fuel consumption.

#### Product advantages:

Commonly used in engineering construction, transportation tools and materials. In cities, it can be used as a transportation vehicle for express delivery and logistics. It is also suitable for family travel, carrying large luggage and outdoor sports equipment.

#### Product usage:

The spacious cargo compartment meets cargo loading needs. Excellent suspension and braking systems ensure driving safety. Stylish appearance makes a statement. Energy-saving technology saves usage costs. The vehicle has a high value retention rate and is popular in the second-hand market.

#### After-sales service

- AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

#### Is the price cheap?

- The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

#### Is international logistics guaranteed?

- After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
