## Product Description

Best Rear Camera 360° HOWO Dump Truck 8x4 Shacman Sinotruck Beiben Jac Faw Tipper Truck

### Product features:

Unique self-discharging carriage design, unloading materials quickly and cleanly.  
It has good passability and can adapt to rugged terrain.  
The body appearance is fashionable and atmospheric, with high recognizability.

### Product uses:

Transporting coal and equipment in energy development projects.  
Used for cargo loading and unloading transportation in ports.  
Participate in the infrastructure construction of industrial parks and transport all kinds of materials.

### Product advantages:

Relatively high value retention rate, more popular in the used car market.  
Advanced technology, constantly updated and upgraded.  
Provide a variety of customization options to meet different user needs.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
