### **Product Description**

5.3-6.2M Cargo Tank Length Hino 30 Ton Crawler HOWO Dump Truck 6\*4 For Transportation

#### Product features:

Strong engine power, stable and efficient output. High-quality steel is used to build the frame, which is sturdy and durable. Advanced suspension system reduces bumps and improves driving smoothness.

#### Product uses:

Widely used in large construction sites, transporting earth and building materials. In mining operations, transporting ores, slag and so on. Participate in road construction projects, transporting sand and gravel and other basic materials.

### Product advantages:

Strong load carrying capacity, able to cope with heavy-duty tasks. Good fuel economy, reduce operation cost. Simple vehicle maintenance and easy access to spare parts.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

#### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

#### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
