Product Description

Automatic Transmission FOTON Flatbed Tow Truck For Rescue Vehicle

Product features:

Double winch design enhances towing power.
The angle of the flat plate is adjustable to adapt to different vehicle heights.
The lightweight design of the entire vehicle does not affect the load capacity.

Product usage:

Emergency response to traffic accidents in scenic areas.
Towing away vehicle breakdown in residential complex.
Traffic maintenance of roads around the school.

Product advantages:

The price is competitive and cost-effective.
There is plenty of room for vehicle modification and upgrade.
Have a good user experience.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
