

## ZZ3167M3811 Sinotruk Howo 8x4 Dump Truck 300L-400L Fuel Tank

Our Product Introduction

for more products please visit us on [commercial-autos.com](http://commercial-autos.com)

### Basic Information

- Place of Origin: Henan, China
- Brand Name: SINOTRUCK
- Minimum Order Quantity: 1
- Price: Available for negotiation
- Packaging Details: Waxing in Bulk ship, Roro ship, Container
- Delivery Time: 30-45 working days
- Payment Terms: T/T
- Supply Ability: 1,000 units per month

### Product Specification

- Condition: New
- Steering: Left
- Horsepower: 351 - 450hp
- Emission Standard: Euro 2
- Segement: Heavy Truck
- Market Segement: Engineering Transportation
- Engine Brand: WEICHAI
- Fuel Type: Diesel
- Engine Capacity: > 8L
- Cylinders: 6
- Gear Box Brand: SINOTRUCK
- Transmission Type: Manual
- Forward Shift Number: 10
- Reverse Shift Number: 2
- Maximum Torque(Nm): 1000-1500Nm

## Product Description

HOWO 8x4 Electric Dump Truck with Crane ≤5T Gross Vehicle Weight Diesel Fuel Type

### Product features:

**Engine Type:** The HOWO NX380 8x4 is powered by a robust engine that adheres to Euro II emission standards. It typically features a 375 HP engine, which ensures significant power and reliability.

**Transmission:** Equipped with a manual transmission, this truck offers control and durability essential for heavy-duty operations.

**Drive Configuration:** The 8x4 drive configuration provides superior traction and stability, making it suitable for off-road and challenging terrains.

### Product usage:

**Ore Transport:** Suitable for hauling ore and other mined materials. The truck's durability and powerful engine are well-suited to the harsh conditions typical in mining environments.

**Heavy Loads:** Can handle the significant loads and tough terrain associated with mining operations.

**Material Transport:** Ideal for transporting construction materials such as sand, gravel, and concrete. The efficient dump mechanism speeds up the unloading process, essential for construction timelines.

### Product advantages:

**Robust Build:** The HOWO NX380 8x4 is constructed from high-quality materials, ensuring it can handle heavy use and challenging conditions.

**Engine Performance:** The 375 HP engine provides consistent power and reliability, crucial for demanding tasks.

**Hydraulic System:** The hydraulic dump system enhances operational efficiency by enabling fast and effective unloading of materials.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

### Specification:

Condition	New
Horsepower	351 - 450hp
Emission Standard	Euro 2
Market Segement	Engineering transportation
Gross Vehicle Weight	20-25T
Drive Wheel	6x4
After-sales Service Provided	Video technical support, Online support
