## Product Description

3 Ton 4 Ton JMC Flatbed Rotator Wrecker Tow Truck Wrecker With Automatic Transmission

### Product features:

Quick loading and unloading device improves work efficiency.  
High quality tires with good wear resistance.  
The car body is treated with anti-rust treatment to extend its service life.

### Product usage:

Clearance of vehicles in underground parking lots of large shopping malls.  
Troubleshooting of logistics vehicles in industrial parks.  
Vehicle rescue in motorway service areas.

### Product advantages:

The vehicle has strong reliability and low failure rate.  
After-sales parts are in sufficient supply.  
Manufacturer training services are professional and comprehensive.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
