## Product Description

Medium-Sized Truck Passengers 3 2024 Howo 6 Ton 6X4 Cargo Truck with 440hp Long Design

### Product features:

This car is made of high-strength metal material, which is sturdy and durable and has excellent impact and pressure resistance. The interior space of the car body is spacious, the layout is reasonable, and it can be flexibly partitioned according to needs. The vehicle is equipped with an efficient and energy-saving engine, which is powerful and has low fuel consumption. In addition, it is equipped with an advanced braking system and stable suspension system to ensure safe and stable driving.

### Product usage:

Mainly used for urban logistics distribution, transporting various daily necessities, food, clothing and other goods. It is suitable for the transportation of e-commerce express delivery to ensure timely and accurate delivery of packages. In the pharmaceutical industry, drugs and medical devices can be transported to ensure the safety and hygiene of the goods.

### Product advantages:

sturdy and durable, reducing maintenance costs. The interior space is large and the layout is flexible, improving cargo loading efficiency. Energy-efficient engines save operating expenses. High safety performance ensures the safety of personnel and goods. The vehicle is easy to maintain and spare parts are in sufficient supply.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
