Product Description

Product features:

Installed with intelligent load limiting system, which can monitor the trailer's load in real time to prevent overloaded operation. Equipped with automatic adjusting balance device, which automatically adjusts the trailer balance when towing vehicles with different weights and centers of gravity. Adopt wear-resistant and corrosion-resistant tires to adapt to different road conditions and harsh environments.

Product usage:

Rescue overweight container transportation vehicles in ports, terminals and other places, intelligent load limiting to ensure safety. Dealing with vehicles that break down due to unbalanced cargo loading, automatic adjustment of the balancing device ensures smooth rescue. Rescue operations in coastal areas or saline roads, using wear-resistant and corrosion-resistant tires.

Product advantages:

Intelligent load limiting system guarantees the safe operation of the trailer, avoiding equipment damage and accidents caused by overloading. Automatic adjustment of the balance device to improve the stability and safety of the rescue, to adapt to the towing needs of different vehicles. Wear-resistant and corrosion-resistant tires prolong the service life, reduce the replacement cost, and adapt to the harsh environment.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

Specification:

The main parameters	
Drive type	4X2
Wheelbase	3600mm
Dimensions	5.995×2.3×2.3m
Max. speed	105km/h
Max. horsepower	160hp
Max. output power	115kW
Fuel type	diesel
Number of tires	6
Tire specifications	7.00R16LT 8PR
Displacement	2.498L
