Product Description

4X2 HOWO Wrecker Truck With Maximum Output Power Of 96kW And EURO 5 Emission Standard

Product features:

Sturdy body structure: Made of high-strength steel to withstand the huge forces during towing and traction.
Professional towing equipment: such as towing hooks, winches, etc., to ensure safe and reliable towing of vehicles.

Product usage:

Road rescue: When a vehicle breaks down on the road and cannot move on its own, the tow truck will rush to the scene and tow the faulty vehicle to a safe area or repair station.
Accident handling: In a traffic accident, the vehicle is severely damaged and cannot drive normally. The tow truck will tow the accident vehicle away from the scene and restore normal traffic on the road.
Illegal vehicle towing: For vehicles parked illegally or illegally, the tow truck will tow them to the designated location in accordance with relevant regulations.

Product advantages:

Quick response: able to quickly dispatch after receiving the task and deal with road obstacles in time.
Strong towing capacity: can tow vehicles of various types and weights.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.
