## Product Description

Electric Motor Wrecker Howo 4x2 3ton 3000kg Small Car Towing Emergency Rescue Wheel Lift Wrecker Tow Truck

### Product features:

Warning and lighting function: The tow truck is equipped with large warning lights and alarms to make it have obvious signs during towing operations; the tow truck also has a rescue auxiliary lighting function for use during night operations.

Simple structure: Flatbed tow trucks are usually composed of chassis, hydraulic system and flatbed, with relatively simple structure, easy to operate and maintain.

### Product usage:

Illegally parked vehicle towing: For vehicles parked in violation of traffic rules, flatbed tow trucks can tow to maintain traffic order.

Vehicle transportation: The flatbed part of the flatbed tow truck can be used to transport small engineering machinery, vehicles and other items, and has a certain versatility.

### Product advantages:

Safety: Flatbed tow trucks are usually equipped with advanced safety devices, such as hydraulic systems, stable binding devices, etc., to ensure the safety of vehicles during transportation.

Easy operation: Modern flatbed tow trucks are usually equipped with electronic control systems and hydraulic systems, which are easy to operate and reduce manual labor intensity.

### Specification:

Brand Name	Howo
Place of Origin	China
