## Product Description

### Product features:

Adopts foldable working platform, which can be folded and stored when not in use to save space, and unfolded conveniently when in use.

Installed with solar charging panel, which can provide auxiliary power for vehicle-mounted equipment, energy-saving and environmentally friendly.

Equipped with automatic warning sign placement device, automatically place warning signs at the rescue site to remind passing vehicles.

### Product usage:

In the parking lot, the faulty vehicle rescue, foldable platform does not take up too much space.

Provide auxiliary power supply for rescue teams working outdoors for a long time, reducing energy dependence.

Dealing with vehicle failure on the highway, automatic warning signs are placed to improve operational safety.

### Product advantages:

Foldable platform saves space and improves the flexibility and applicability of the trailer.

Solar charging panel is energy-saving and environmentally friendly, reducing the cost of use and improving the efficiency of energy utilization.

Automatic warning sign placement device reminds passing vehicles in time, reducing the probability of secondary accidents.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

### Specification:

The main parameters	
Drive type	4X2
Wheelbase	3600mm
Dimensions	5.995×2.3×2.3m
Max. speed	105km/h
Max. horsepower	160hp
Max. output power	115kW
Fuel type	diesel
Number of tires	6
Tire specifications	7.00R16LT 8PR
Displacement	2.498L
