

## Compact Refuse Collection Vehicle 12 Cubic Metre Rear Loader Electric Garbage Truck For Waste Management

Our Product Introduction

### Basic Information

- Place of Origin: Henan, China
- Brand Name: HOWO
- Price: \$19,800.00/sets  $\geq 1$  sets

### Product Specification

- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Core Components: Bearing, Pressure Vessel
- Drive Wheel: 4X2
- Type: Rear Loader
- Transmission Type: Automatic
- Emission Standard: Euro 3
- Fuel Type: Diesel
- Engine Capacity: 162
- Size: 8656 2525 3210
- Gross Vehicle Weight: 18000
- Warranty: 1 Year
- Weight (KG): 18000 Kg
- Applicable Industries: Construction Works
- Showroom Location: None

## Product Description

### Product features:

Compact and reasonable appearance design, small footprint, can flexibly shuttle through narrow streets and alleys, and easily reach the garbage collection point.

The loading compartment is made of high-strength aluminum alloy, which is light weight but high strength, effectively improving the fuel economy of the vehicle and reducing energy consumption.

Equipped with intelligent inductive garbage inlet, it opens automatically when the garbage cans are near and closes automatically when it is full, realizing unmanned operation and improving operation efficiency.

Equipped with automatic lubrication system, lubricate the key parts regularly to reduce wear and tear and prolong the service life of the equipment.

### Product usage:

Commonly used in old urban neighborhoods to solve the problem of garbage collection caused by limited space and narrow roads.

On campus, efficiently clean up the daily life garbage of teachers and students to create a neat learning environment.

Suitable for garbage collection in scenic spots, without affecting the beauty of the scene and the experience of tourists, while ensuring a clean environment.

### Product advantages:

Compact appearance and flexible maneuverability, adapting to complex urban and scenic environments.

Aluminum alloy material and intelligent sensor entrance, energy saving and high efficiency.

Automatic lubrication system reduces maintenance workload and lowers the probability of equipment failure.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

### Specification:

Brand Name	DONGFENG
Drive type	4*2
place of Origin	China
Fuel type	Diesel fuel
Steering	Left
Condition	New
Emission Standards	Euro V
