## Product Description

### Product features:

This dump truck adopts lightweight design, which reduces the deadweight and improves the cargo capacity under the premise of ensuring strength.

The Dongfeng dump truck is equipped with advanced fuel-saving technology, which has low fuel consumption and reduces operating costs.

The suspension system of the vehicle is well-tuned with good shock absorption effect to reduce cargo bumps.

The cab is equipped with advanced navigation and multimedia system, which is convenient for driving.

### Product advantages:

Lightweight design increases cargo carrying capacity and improves economic efficiency.

Fuel saving technology saves fuel expenses, economic and environmental protection.

Good suspension system protects cargo and reduces loss.

Equipment in the cab enhances driving convenience and comfort.

### Product usage:

Suitable for short-distance cargo transfer in logistics parks to improve transfer efficiency.

In urban renovation projects, transportation of demolished building materials.

Can be used in small construction projects to transport building materials.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

### Specification:

Brand Name	Howo
Drive type	8*4
place of Origin	China
Fuel type	Diesel fuel
Steering	Left
Condition	New
Emission Standards	Euro VI
