

## Waste Collector Compact Garbage Truck For Sale China Dongfeng 5cbm 10cbm 15cbm Garbage Truck 4X2

Our Product Introduction

for more products please visit us on [commercial-autos.com](http://commercial-autos.com)

### Basic Information

- Place of Origin: Shandong, China
- Brand Name: DONGFENG
- Price: CN¥162,200.64/units 1-4 units

### Product Specification

- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Core Components: Engine, Gearbox, Motor
- Drive Wheel: 4X2
- Type: Compactor
- Transmission Type: Automatic
- Emission Standard: Euro 4
- Fuel Type: Diesel
- Engine Capacity: 110
- Size: 6820\*2080\*2460
- Gross Vehicle Weight: 5880
- Warranty: 1 Year
- Weight (KG): 7360 Kg
- Curb Weight(Kg): 5280
- Persons In Cab: 2

## Product Description

### Product features:

Adopting adjustable garbage compression plate, the position and angle of the compression plate can be flexibly adjusted according to the height and density of garbage to realize more efficient compression.

Equipped with on-board weighing system, real-time display of the weight of the garbage, which is convenient to grasp the transportation volume and reasonably arrange the transportation route.

The vehicle is installed with an air purification device, which not only filters the air inside the vehicle, but also purifies the air discharged to the outside world and reduces pollution.

The garbage entrance is equipped with an automatic cleaning brush, which automatically cleans the entrance after each garbage dumping to keep the vehicle tidy.

### Product usage:

It is suitable for urban garbage transfer station to precisely control the weight of garbage and improve the transfer efficiency. In rural areas, dealing with decentralized domestic garbage, adjustable compression plate adapts to different garbage situations.

Used in food processing parks, dealing with a large amount of organic garbage, air purification device to reduce odor pollution.

### Product advantages:

Adjustable compression plate and on-board weighing system to improve compression effect and transportation management.

Air purification and automatic cleaning function to protect the environment and maintain vehicle hygiene.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

### Specification:

Brand Name	DONGFENG
Drive type	4*2
place of Origin	China
Fuel type	Diesel fuel
Steering	Left
Condition	New
Emission Standards	Euro V
