

## China Dongfeng 5cbm 10cbm 15cbm Garbage Truck 4X2 Economic Waste Collection Truck Container Garbage Truck On Sale

Our Product Introduction

for more products please visit us on [commercial-autos.com](http://commercial-autos.com)

### Basic Information

- Place of Origin: Shandong, China
- Brand Name: DONGFENG
- Price: CN¥162,200.64/units 1-4 units

### Product Specification

- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Core Components: Engine, Gearbox, Motor
- Drive Wheel: 4X2
- Type: Compactor
- Transmission Type: Automatic
- Emission Standard: Euro 4
- Fuel Type: Diesel
- Engine Capacity: 110
- Size: 6820\*2080\*2460
- Gross Vehicle Weight: 5880
- Warranty: 1 Year
- Weight (KG): 7360 Kg
- Curb Weight(Kg): 5280
- Persons In Cab: 2

## Product Description

### Product features:

Equipped with quick docking device, it can be quickly connected with different types of garbage cans and garbage transfer trucks to realize quick loading and unloading of garbage and improve the operation efficiency.  
The vehicle body adopts anti-rust and corrosion treatment process, and the surface is sprayed with corrosion-resistant paint, which can effectively resist the corrosion of garbage and harsh environment and prolong the service life of the vehicle.  
LED lighting system is installed to ensure the safety of garbage collection and transportation at night or in low light conditions.  
The compression system adopts intelligent control technology, which can automatically adjust the compression strength and frequency according to the type and quantity of garbage, realizing precise compression.

### Product usage:

In the nighttime garbage collection work in city streets, the lighting system and quick docking device ensure the operation is efficient and safe.

Suitable for ports, terminals and other places to deal with large quantities of cargo packaging garbage and waste.

Used in large-scale event sites, such as concerts and sports events, to clean up garbage generated by spectators in a timely manner.

### Product advantages:

Fast docking and intelligent compression technology to improve operation efficiency and quality.

Anti-corrosion treatment and lighting system to prolong the equipment life and ensure the safety of night operation.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

### Specification:

Brand Name	DONGFENG
Drive type	4*2
place of Origin	China
Fuel type	Diesel fuel
Steering	Left
Condition	New
Emission Standards	Euro V
