

Environmentally Friendly Mobile Garbage Truck Recycling Equipment Compression Machine For Waste Treatment

Our Product Introduction

for more products please visit us on commercial-autos.com

Basic Information

- Place of Origin: Hubei, China
- Brand Name: jac
- Price: CN¥47,067.15/units 1-4 units

Product Specification

- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Core Components: Engine, Gearbox, Motor
- Drive Wheel: 4X2
- Type: Compactor
- Transmission Type: Automatic
- Emission Standard: Euro 4
- Fuel Type: Diesel
- Engine Capacity: 110
- Size: 6920*2100*2520
- Gross Vehicle Weight: 5280
- Warranty: 1 Year
- Weight (KG): 3500 Kg
- Curb Weight(Kg): 5280
- Persons In Cab: 2

Product Description

Product features:

The appearance design is artistic, and the appearance pattern can be customised according to the cultural characteristics of the city, showing the personality of the city.

The waste station adopts soundproof material to wrap the key components to reduce the operation noise and create a quiet surrounding environment.

Built-in efficient sewage purification system for preliminary treatment of waste leachate, which is discharged after meeting the standard.

Equipped with professional rubbish compaction plate with special shape design to improve the uniformity of rubbish compression.

Product usage:

Widely placed in the city's cultural neighbourhoods, both treating rubbish and becoming a cultural display window.

Near school libraries and laboratories, quietly collect and dispose of a small amount of rubbish without interfering with study and research.

Used in the city environmental protection theme park, fit the theme of the park, handling tourists' rubbish.

Product advantages:

Artistic appearance enhances the cultural taste of the city and shapes the characteristic landscape.

Soundproof design creates a quiet atmosphere and meets the needs of special places.

Sewage purification environmental compliance, reduce pollution emissions.

Professional compaction plate improves compression quality and storage efficiency.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

Specification:

Overall Dimensions (mm)	4000×2295×2450
Waste bin volume (m³)	6
Tipping bucket volume (m³)	3
Max lifting force of tipping bucket (T)	1.5
Feed inlet height (mm)	1600
Bottom beam width (mm)	1060
Guiding wheel track width (mm)	2200
