

Environmentally Friendly Mobile Garbage Truck Recycling Equipment Compression Machine for Waste Treatment

Our Product Introduction

Basic Information

- Place of Origin: Hubei, China
- Brand Name: jac
- Price: CN¥47,067.15/units 1-4 units

Product Specification

- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Core Components: Engine, Gearbox, Motor
- Drive Wheel: 4X2
- Type: Compactor
- Transmission Type: Automatic
- Emission Standard: Euro 4
- Fuel Type: Diesel
- Engine Capacity: 110
- Size: 6920*2100*2520
- Gross Vehicle Weight: 5280
- Warranty: 1 Year
- Weight (KG): 3500 Kg
- Curb Weight(Kg): 5280
- Persons In Cab: 2

Product Description

Product features:

The refuse station adopts modular assembly process, the components are easy to disassemble and repair, and the faulty module can be replaced quickly.

It has a height-adjustable rubbish inlet, which is convenient for people of different heights to put in, and also adapts to the unloading of bins of different specifications.

The body shell adopts fire retardant materials to improve safety and prevent accidental fire.

Product usage:

Suitable for large-scale community waste classification promotion, assisting residents to classify and put in, and facilitating the subsequent classification and transfer.

In factory workshops, collecting and processing production waste, discarded tools and employees' living rubbish.

Used in parks, scenic spots and other crowded public places to ensure timely cleaning of rubbish and maintenance of landscape image.

Product advantages:

Modularisation reduces the difficulty of maintenance and shortens downtime.

Adjustable entrance improves the convenience of use and adapts to diversified needs.

Fireproof material ensures the safety of special scenes and reduces risks.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

Specification:

Overall Dimensions (mm)	4000×2295×2450
Waste bin volume (m ³)	6
Tipping bucket volume (m ³)	3
Max lifting force of tipping bucket (T)	1.5
Feed inlet height (mm)	1600
Bottom beam width (mm)	1060
Guiding wheel track width (mm)	2200
