

18m3 20m3 Mobile Garbage Compression System Compactor Machine for Garbage Station

Our Product Introduction

for more products please visit us on commercial-autos.com

Basic Information

- Place of Origin: Hubei, China
- Brand Name: jac
- Price: CN¥47,067.15/units 1-4 units

Product Specification

- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Core Components: Engine, Gearbox, Motor
- Drive Wheel: 4X2
- Type: Compactor
- Transmission Type: Automatic
- Emission Standard: Euro 4
- Fuel Type: Diesel
- Engine Capacity: 110
- Size: 6920*2100*2520
- Gross Vehicle Weight: 5280
- Warranty: 1 Year
- Weight (KG): 3500 Kg
- Curb Weight(Kg): 5280
- Persons In Cab: 2

Product Description

Product features:

Compact and small appearance design, can be easily placed in the city narrow alley, neighbourhood corners and other space-restricted areas.

Built-in intelligent sensor compression system can automatically start and stop compression according to the degree of rubbish filling, energy saving and high efficiency.

Equipped with a large-capacity sewage collection tank, which is isolated from the rubbish storage area to prevent leachate from polluting the environment.

Standardised interfaces for connecting to vehicles, suitable for a wide range of vehicles and convenient for loading and unloading.

Product usage:

Widely served in old urban areas to solve the problem of rubbish dumping caused by space constraints.

In pedestrian streets and commercial streets, timely clean up the rubbish produced by merchants and customers to maintain the commercial atmosphere.

Used in school playgrounds, gymnasiums and other temporary activities, to ensure environmental health during the event.

Product advantages:

Compact appearance makes full use of limited space, convenient site selection.

Intelligent compression accurately controls energy consumption and improves waste disposal efficiency.

Standardised interface accelerates the transfer process and improves the cleaning efficiency.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

Specification:

Overall Dimensions (mm)	4000×2295×2450
Waste bin volume (m³)	6
Tipping bucket volume (m³)	3
Max lifting force of tipping bucket (T)	1.5
Feed inlet height (mm)	1600
Bottom beam width (mm)	1060
Guiding wheel track width (mm)	2200
