Our Product Introduction

for more products please visit us on [commercial-autos.com](http://commercial-autos.com)

### Basic Information

- Place of Origin: Hubei, China
- Brand Name: jac
- Price: CN¥54,308.25/units 1-4 units

### Product Specification

- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Core Components: Engine, Gearbox, Motor
- Drive Wheel: 4X2
- Type: Compactor
- Transmission Type: Automatic
- Emission Standard: Euro 4
- Fuel Type: Diesel
- Engine Capacity: 110
- Size: 6920\*2100\*2520
- Gross Vehicle Weight: 5280
- Warranty: 1 Year
- Weight (KG): 3500 Kg
- Curb Weight(Kg): 5280
- Persons In Cab: 2

## Product Description

### Product features:

The tyres of the mobile chassis are designed with special anti-skid pattern, which can drive stably even in rainy and snowy weather, ensuring that the clearing task is not affected and expanding the scope of application. Equipped with emergency power supply interface, it can be connected to the backup power supply when the municipal power fails to protect the basic operation of the equipment, avoid interrupting the operation, and protect the urban environmental health.

### Product usage:

Applicable to modern logistics warehouses, efficiently handle waste packaging materials, cooperate with the rapid turnover of logistics, improve the efficiency of logistics, and help the development of the logistics industry. Around the city's high-grade office buildings, collecting and processing office rubbish, keeping the office environment neat and clean, enhancing the working atmosphere and improving the efficiency of employees. Used in urban sanitation integration projects, as a mobile node, to improve the overall waste disposal efficiency, promote the development of urban sanitation, and add bricks and mortar to urban construction.

### Product advantages:

Anti-skid tyres protect the operation in bad weather, expand the scope of application, ensure uninterrupted cleaning throughout the year, and safeguard the urban environmental health. Emergency power interface ensures uninterrupted operation of the equipment, stable and reliable, safeguards urban environmental health and provides security for urban emergency.

### After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

### Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

### Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

### Specification:

Overall Dimensions (mm)	4000×2295×2450
Waste bin volume (m <sup>3</sup> )	6
Tipping bucket volume (m <sup>3</sup> )	3
Max lifting force of tipping bucket (T)	1.5
Feed inlet height (mm)	1600
Bottom beam width (mm)	1060
Guiding wheel track width (mm)	2200
