

Automatic Window 6x4 Tipper 12 Wheel Used Dongfeng Diesel Dump Truck

Our Product Introduction

for more products please visit us on commercial-autos.com

Basic Information

- Place of Origin: Hubei, China
- Brand Name: DONGFENG
- Minimum Order Quantity: 1
- Price: Available for negotiation
- Packaging Details: Waxing in Bulk ship, Roro ship, Container
- Delivery Time: 30-45 working days
- Payment Terms: T/T
- Supply Ability: 1,000 units per month

Product Specification

- Condition: New
- Steering: Left
- Horsepower: 351 - 450hp
- Emission Standard: Euro 6
- Segement: Heavy Truck
- Market Segement: Urban Construction Muck Transportation
- Engine Brand: DONGFENG
- Fuel Type: Diesel
- Gear Box Brand: DONGFENG
- Transmission Type: Manual
- Forward Shift Number: 12
- Reverse Shift Number: 2
- Maximum Torque(Nm): 2000-2500Nm
- Dimensions (L X W X H) (mm): 9.6*2.5*3.6

Product Description

Product features:

The engine adopts a highly efficient heat dissipation system, including an enlarged radiator and a high-performance cooling fan, to ensure normal operation in high-temperature environments.

Key parts such as gearbox and axle are made of high-temperature-resistant materials and undergo a special heat treatment process to improve their high-temperature resistance.

A high-power air conditioning system is installed in the cab, which can effectively reduce the indoor temperature and provide a comfortable working environment for the driver.

Product advantages:

Good heat-resistant performance ensures the stable operation of the vehicle in high temperature environment and guarantees the continuity of mine production.

Provide a comfortable working environment for the driver, improve the driver's efficiency and motivation.

Extend the service life of vehicle parts, reduce equipment failure and maintenance costs caused by high temperature.

Product usage:

Suitable for mines in high-temperature areas, such as mines in the desert, to secure ore transportation in hot climatic conditions.

Used in mines with high mining temperatures, such as certain geothermal mines or high-temperature mines, to ensure the stable operation of the vehicle.

In the summer high temperature period, to meet the normal transportation needs of all kinds of mines, to avoid the production stagnation caused by high temperature.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

Specification:

Brand Name	Howo
Drive type	8*4
place of Origin	China
Fuel type	Diesel fuel
Steering	Left
Condition	New
Emission Standards	Euro VI
