

30 Tons 6x4 20 Cubic Meters Hydraulic Mining Dump Trucks

Our Product Introduction

for more products please visit us on commercial-autos.com

Basic Information

- Place of Origin: Hubei, China
- Brand Name: DONGFENG
- Minimum Order Quantity: 1
- Price: Available for negotiation
- Packaging Details: Waxing in Bulk ship, Roro ship, Container
- Delivery Time: 30-45 working days
- Payment Terms: T/T
- Supply Ability: 1,000 units per month

Product Specification

- Condition: New
- Steering: Left
- Horsepower: 351 - 450hp
- Emission Standard: Euro 6
- Segement: Heavy Truck
- Market Segement: Urban Construction Muck Transportation
- Engine Brand: DONGFENG
- Fuel Type: Diesel
- Gear Box Brand: DONGFENG
- Transmission Type: Manual
- Forward Shift Number: 12
- Reverse Shift Number: 2
- Maximum Torque(Nm): 2000-2500Nm
- Dimensions (L X W X H) (mm): 9.6*2.5*3.6

Product Description

Product features:

The engine is equipped with a preheating system, which can start quickly in low temperature environment and ensure the normal operation of the vehicle.
Cold-resistant lubricating oil and hydraulic oil are used, which can still maintain good fluidity at low temperatures to ensure the normal operation of the vehicle's systems.
The body and compartment are wrapped with thermal insulation materials to reduce heat loss and protect the internal equipment and parts of the vehicle.

Product advantages:

Cold-resistant design ensures that the vehicle starts and operates normally in low-temperature environments, guaranteeing the smooth running of mine production.
Extend the service life of the vehicle in cold areas, reduce the equipment damage and maintenance cost caused by low temperature.
Provide reliable transportation guarantee for mine development and production in cold areas, and promote resource development and utilization.

Product usage:

Suitable for mines in cold areas, such as mines in the north or mines in high-altitude cold areas, to transport ore in low-temperature environments.
Used in mining operations during cold winter hours to ensure that mine production is not affected by low temperatures.
In the development of polar mines, it is used as a reliable transportation equipment to guarantee the transportation of materials and ores.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

Specification:

Brand Name	Howo
Drive type	8*4
place of Origin	China
Fuel type	Diesel fuel
Steering	Left
Condition	New
Emission Standards	Euro VI
