

High Quality Rhd Ford Ambulance Vehicle Negative Pressure Ambulance

Basic Information

Product Specification

- Transmission Type: Automatic
- Fuel: Diesel
- Emission Standard: Euro 4
- Length: 3-8m
- Medical Equipment: With Medical Equipment
- Horsepower: 210-260hp
- Axle: Micro
- Condition: New
- Origin: China
- Supply Ability: 2000
- Package Size: 6.05cm * 2.43cm * 2.59cm
- Package Gross Weight: 30000.000kg
- Customization: Available
- Type: Ambulance
- Certification: ISO9000, CCC

Product Description

Product features:

With fast charging function, it can fully charge the vehicle battery in a short period of time to meet the needs of frequent first aid missions and reduce the time the vehicle waits for charging.

Adopting new energy power system, such as pure electric or hybrid, with zero or low emissions, it meets the requirements of environmental protection and reduces the pollution to the hospital and the surrounding environment.

Installed with an energy recovery system, which recovers energy during braking and converts it into electrical energy for storage, improving energy utilization efficiency.

Product usage:

Suitable for frequent emergency missions within the city, the fast charging function ensures that the ambulance is always on standby to respond to rescue needs in a timely manner.

When performing emergency duties near hospitals, the new energy power reduces exhaust emissions and creates a clean medical environment.

Reduces operating costs and improves energy utilization efficiency, in line with the concept of sustainable development.

Product advantages:

Fast charging guarantees the ambulance's attendance efficiency and improves rescue response speed.

Environmentally friendly new energy power to improve urban air quality, in line with modern urban development needs.

The energy recovery system reduces energy consumption and saves operating costs, realizing a win-win situation in terms of economic and environmental benefits.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

Specification:

Main Specification	
Product Name	Automatic ambulance
Engine	2.3T 174PS L4
Max. power(kW)	128(174PS)
Max. torque (N·m)	430
Gearbox	6 speed manual
Overall Dimension(mm)	5498x2068x2485
Body structure	5 door 3 seater truck
Wheelbase(mm)	3300
Max. horsepower (Ps)	174
Max. power speed (rpm)	3200

Max. torque (N·m)	430
Max. torque speed (rpm)	1400-2400
