Basic Information

Product Specification

- Model NO.: ISUZU KV100
- Payload: 4tons
- Emission Standard: Euro 3
- Transmission Type: Manual
- Horsepower: 150hp
- Fuel: Diesel
- Bearing Capacity: Small
- Car Type: The Semi-Trailer
- Condition: New
- Curb Weight(Kg): 3500
- Loading Capacity(Kg): 3665
- Total Mass(Kg): 7360
- Max Speed(Km/H): 110
- Persons In Cab: 3
- Cargo Box Size (mm): 4080*2100*2100

Product Description

Product features:

Equipped with Isuzu high-efficiency refrigeration unit, the refrigeration speed is fast, which can reduce the temperature in the cabin to the set value in a short time, and the lowest can be - 18 , precise temperature control, and the temperature fluctuation is extremely small.

Adopting high-quality thermal insulation material to build the compartment, with excellent thermal insulation performance, effectively reducing heat transfer and lowering energy consumption.

Equipped with advanced temperature monitoring system, it can monitor the temperature in the compartment in real time and present it visually through the intelligent display, which is convenient for the driver to grasp at any time.

Product usage:

Mainly used for food cold chain transportation, such as fresh meat, seafood, dairy products and other long-distance transportation, to ensure food freshness and quality.

Suitable for pharmaceutical cold chain distribution, safe transportation of vaccines, blood products, special drugs, etc., to protect the effectiveness of drugs.

It can transport fresh flowers and green plants, provide cold chain service for flower market and florists, and extend the freshness period of flowers.

Product advantages:

Rapid refrigeration and precise temperature control, providing an ideal storage environment for perishable goods and reducing the loss of goods.

Good heat preservation performance reduces energy consumption and saves transportation cost.

Real-time temperature monitoring makes the transportation process more transparent and guarantees the safety of goods.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

who are we?

Autoking Industrial Co., Ltd. was established in 2017, located in Jinshui District, Zhengzhou City, Henan Province. We have many refrigerated truck production bases in China, respectively located in Henan, Shandong, Hubei, Jiangsu, Guangdong, product sales network covering domestic and foreign markets.

we have more than 300 models of special trucks, can also provide you with a variety of customized trucks, five-star after-sales service guarantee. You can call us free at any time, we will provide you with solutions. In addition, we provide you with original spare parts. Our engineers can provide on-site service if required. We have many customers in Southeast Asia, South Asia, Central Asia, West Asia, the Middle East, South America. Welcome friends from all over the world to contact us for win-win cooperation.

How can we guarantee quality?

we produce as per international standard and norm;

Always final Inspection before shipment; We know once those products with quality defects are shipped to the destination, both of us are in great trouble. If we check the quality of each shipment with the minimum cost, so why not?

We have advanced production technology and professional production lines, So far, our customers are very satisfied with our services and products.

what can you buy from us?

Our company specializes in various brands of electric vehicles, commercial vehicles, refrigerated trucks, auto parts and vehicle maintenance equipment. Vans, refrigerator trucks, buses, mixer trucks, tank trucks and other special vehicles.

why should you buy from us not from other suppliers?

Quality and Reliability: We prioritize quality in all our products, ensuring they meet or exceed industry standards.

Competitive Pricing: We offer competitive pricing without compromising on quality. Our efficient supply chain and strong relationships with manufacturers allow us to provide cost-effective solutions that fit your budget.

Customization and Flexibility: We understand that every customer has unique needs. We offer a range of customizable options and are flexible in tailoring our products and services to meet your specific requirements.

In summary, buying from us means you're choosing a supplier that offers quality, competitive pricing, exceptional customer service, flexibility, a comprehensive product range, a strong reputation, and a commitment to sustainability. We're here to ensure you have the best possible experience, from initial inquiry to after-sales support.

Specification:

| | |
|--------------------------------|---|
| Chassis brand | isuzu |
| Drive form | 4*2 |
| Steering wheel | Left hand drive |
| Steering device | Power assisted steering |
| Wheelbase(mm) | 3360 |
| Engine brand and model | ISUZU/4KH1CN6HB |
| Max engine power(Kw) | 97 |
| Engine displacement(ml) | 2999 |
| Engine emission standard | Euro 3 |
| Number of engine cylinders | 4 |
| Fuel type | Diesel |
| Gearbox | ML645G,5 speed forward 1 reverse |
| Front/rear axle(t) | 2.5/4.5 |
| Suspension | Multi leaf springs |
| Brake system | Front/Rear Drum full air braking |
| Wheels and tyre size | 6+1/(7.00R16) |
| Cab configuration | Single row cab, air conditioning, radio, MP3 and USB port |
| Rated voltage | 24V,DC |
| Cab color | White,other color is optional |
| Box material | glass fiber reinforced plastics |
| Insulation layer material | XPS/polyurethane |
| Insulation layer thickness(cm) | 8 |
| Box bottom plate | aluminum material |

| | |
|------------------------------|-----------------------------------|
| Refrigerator brand | Thermo King/Carrier/Chinese brand |
| Refrigerator temperature (°) | -5°/-18° |
| Backup power | Optional |
| Air heating system | Optional |
| Box optional configuration | Meat hook/Ventilation trough |
