Basic Information

Product Specification

- Model NO.: ISUZU AK518XLC2S
- Transmission Type: Automatic
- Fuel: Diesel
- Bearing Capacity: Medium
- Car Type: The Semi-Trailer
- Condition: New
- Truck Model: Ak518xlc2s
- Curb Weight(Kg): 7000
- Loading Capacity(Kg): 11ton
- Total Mass(Kg): 18ton
- Max Speed(Km/H): 110
- Persons In Cab: 3
- Cargo Box Size (mm): 6800*2450*2500
- Box Volume (M³): 41
- Box Material: Glass Fiber Reinforced Plastics

Product Description

Product features:

Isuzu refrigerated truck has multi-temperature zone control function, which can divide the compartment into different temperature zones, and at the same time to meet the needs of a variety of goods for different temperatures.

There is a convenient cargo loading and unloading platform on the outside of the compartment, which can be raised and lowered to adjust the height, and it can be perfectly docked with loading and unloading equipments at different heights to improve the loading and unloading efficiency.

The vehicle adopts low wind resistance body shape, which not only reduces fuel consumption, but also reduces the noise during traveling, and improves driving comfort.

Product usage:

Serving for supermarket distribution centers, it can simultaneously transport a variety of goods such as refrigerated food, frozen meat and room temperature beverages to meet the diversified needs of supermarkets for stocking.

In logistics parks, the efficient loading and unloading platform and automated loading and unloading equipment can significantly reduce the cargo loading and unloading time.

Suitable for urban distribution, low wind resistance modeling improves fuel economy while reducing noise pollution to the urban environment.

Product advantages:

Multi-temperature zone control improves transportation flexibility and meets diversified customer needs.

Convenient loading and unloading platform improves operational efficiency and saves labor and time costs.

Low wind resistance body realizes energy saving and noise reduction, and improves the comprehensive performance of the vehicle.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

who are we?

Autoking Industrial Co., Ltd. was established in 2017, located in Jinshui District, Zhengzhou City, Henan Province. We have many refrigerated truck production bases in China, respectively located in Henan, Shandong, Hubei, Jiangsu, Guangdong, product sales network covering domestic and foreign markets.

we have more than 300 models of special trucks, can also provide you with a variety of customized trucks, five-star after-sales service guarantee. You can call us free at any time, we will provide you with solutions. In addition, we provide you with original spare parts. Our engineers can provide on-site service if required. We have many customers in Southeast Asia, South Asia, Central Asia, West Asia, the Middle East, South America. Welcome friends from all over the world to contact us for win-win cooperation.

How can we guarantee quality?

we produce as per international standard and norm;

Always final Inspection before shipment; We know once those products with quality defects are shipped to the destination, both of us are in great trouble. If we check the quality of each shipment with the minimum cost, so why not?

We have advanced production technology and professional production lines, So far, our customers are very satisfied with our services and products.

what can you buy from us?

Our company specializes in various brands of electric vehicles, commercial vehicles, refrigerated trucks, auto parts and vehicle maintenance equipment. Vans, refrigerator trucks, buses, mixer trucks, tank trucks and other special vehicles.

why should you buy from us not from other suppliers?

Quality and Reliability: We prioritize quality in all our products, ensuring they meet or exceed industry standards.

Customization and Flexibility: We understand that every customer has unique needs. We offer a range of customizable options and are flexible in tailoring our products and services to meet your specific requirements.

In summary, buying from us means you're choosing a supplier that offers quality, competitive pricing, exceptional customer service, flexibility, a comprehensive product range, a strong reputation, and a commitment to sustainability. We're here to ensure you have the best possible experience, from initial inquiry to after-sales support.

what services can we provide?

Accepted Delivery Terms: FOB;EXW; CIF;

Accepted Payment Currency:Euro; US dollar; CNY;
Language Spoken:English; Russian; Spanish;

Specification:

Cargo box size (mm)	6800*2450*2500
Box volume (m³)	41
Box material	glass fiber reinforced plastics
Insulation layer material	XPS/polyurethane
Insulation layer thickness(cm)	8
Box bottom plate	aluminum material
Refrigerator brand	Thermo King/Carrier/Chinese brand
Refrigerator temperature (°)	-5°/-18°
Backup power	Optional
Air heating system	Optional
Box optional configuration	Meat hook/Ventilation trough
Drive form	4*2
Steering wheel	Left hand drive
Steering device	Power assisted steering
Wheelbase(mm)	5000
Engine brand and model	6HK1-TCG60
Max engine power(Kw)	221
Engine displacement(ml)	7790
Engine emission standard	Euro 6
Number of engine cylinders	6
Fuel type	Diesel
Gearbox	8 gear transmission
Front/rear axle(t)	4.5/10
Suspension	Multi leaf springs

Brake system	Front/Rear Drum full air braking
Wheels and tyre size	11R22.5 18PR,275/80R22.5 18PR
Cab configuration	Single row cab, air conditioning, radio, MP3 and USB port
Rated voltage	24V,DC
Cab color	White,other color is optional
