Basic Information

Product Specification

- Model NO.: ISUZU AK518XLC2S
- Transmission Type: Automatic
- Fuel: Diesel
- Bearing Capacity: Medium
- Car Type: The Semi-Trailer
- Condition: New
- Truck Model: Ak518xlc2s
- Curb Weight(Kg): 7000
- Loading Capacity(Kg): 11ton
- Total Mass(Kg): 18ton
- Max Speed(Km/H): 110
- Persons In Cab: 3
- Cargo Box Size (mm): 6800*2450*2500
- Box Volume (M³): 41
- Box Material: Glass Fiber Reinforced Plastics

Product Description

Product features:

Isuzu refrigerated trucks are equipped with an extra large capacity cold storage device, which can continue to provide cold capacity for the compartment for several hours when the vehicle is temporarily parked or the refrigeration unit fails for a short period of time, ensuring that the temperature of the cargo is not affected. The compartment adopts a unique rounded corner design, which reduces collision damage during cargo handling, and at the same time, it is easier to clean and avoid dirt residue. The vehicle is equipped with an intelligent fuel consumption monitoring system, which provides real-time feedback on the vehicle's fuel consumption and helps drivers optimize their driving habits to reduce fuel consumption.

Product usage:

In cross-regional cold chain transportation, to deal with possible traffic congestion or sudden equipment failure, the cold storage device ensures that the quality of goods is not affected by parking. It is suitable for the transportation of glass products, precision instruments and other fragile cold chain goods, and the rounded corner compartment design reduces the risk of cargo damage. Provide operation cost control support for cold chain logistics enterprises, and help enterprises plan transportation cost reasonably through fuel consumption monitoring.

Product advantages:

Extra-large cold storage device enhances transportation stability and reduces the risk of cargo deterioration due to accidents. The rounded corner design takes into account cargo safety and cleaning convenience, improving the quality of transportation services. Intelligent fuel consumption monitoring helps to control costs and improve the economic efficiency of enterprises.

After-sales service

AUTOKING has four overseas branches to develop overseas customers. We also carry out after-sales service guarantee for vehicles.

Is the price cheap?

The price is chosen by comparing several car manufacturers, and we also hope that customers can compare several times and finally choose our company.

Is international logistics guaranteed?

After the purchase of goods are shipped, the company tracks the order in full. Shipping video and transport video we provide for you at any time.

who are we?

Autoking Industrial Co., Ltd. was established in 2017, located in Jinshui District, Zhengzhou City, Henan Province. We have many refrigerated truck production bases in China, respectively located in Henan, Shandong, Hubei, Jiangsu, Guangdong, product sales network covering domestic and foreign markets. we have more than 300 models of special trucks, can also provide you with a variety of customized trucks, five-star after-sales service guarantee. You can call us free at any time, we will provide you with solutions. In addition, we provide you with original spare parts. Our engineers can provide on-site service if required. We have many customers in Southeast Asia, South Asia, Central Asia, West Asia, the Middle East, South America. Welcome friends from all over the world to contact us for win-win cooperation.

How can we guarantee quality?

we produce as per international standard and norm;
Always final Inspection before shipment; We know once those products with quality defects are shipped to the destination, both of us are in great trouble. If we check the quality of each shipment with the minimum cost, so why not?

Customization and Flexibility: We understand that every customer has unique needs. We offer a range of customizable options and are flexible in tailoring our products and services to meet your specific requirements.
In summary, buying from us means you're choosing a supplier that offers quality, competitive pricing, exceptional customer service, flexibility, a comprehensive product range, a strong reputation, and a commitment to sustainability. We're here to ensure you have the best possible experience, from initial inquiry to after-sales support.

what services can we provide?

Accepted Delivery Terms: FOB; EXW; CIF;

Accepted Payment Currency:Euro; US dollar; CNY;
Language Spoken:English; Russian; Spanish;

Specification:

Chassis brand	isuzu
Drive form	4*2
Steering wheel	Left hand drive
Steering device	Power assisted steering
Wheelbase(mm)	3360
Engine brand and model	ISUZU/4KH1CN6HB
Max engine power(Kw)	97
Engine displacement(ml)	2999
Engine emission standard	Euro 3
Number of engine cylinders	4
Fuel type	Diesel
Gearbox	ML645G,5 speed forward 1 reverse
Front/rear axle(t)	2.5/4.5
Suspension	Multi leaf springs
Brake system	Front/Rear Drum full air braking
Wheels and tyre size	6+1/(7.00R16)
Cab configuration	Single row cab, air conditioning, radio, MP3 and USB port
Rated voltage	24V,DC
Cab color	White,other color is optional
Box material	glass fiber reinforced plastics
Insulation layer material	XPS/polyurethane
Insulation layer thickness(cm)	8
Box bottom plate	aluminum material
Refrigerator brand	Thermo King/Carrier/Chinese brand

Refrigerator temperature (°)	-5°/-18°
Backup power	Optional
Air heating system	Optional
Box optional configuration	Meat hook/Ventilation trough
