

Foton Zhilan Electric Refrigerated Truck Euro 6 Automatic 15-20T Capacity

Our Product Introduction

for more products please visit us on commercial-autos.com

Basic Information

- Place of Origin: China, henan
- Minimum Order Quantity: 1
- Price: \$29,800-30,100

Product Specification

- Transmission Type: Automatic
- Horsepower: 150 - 250hp
- Emission Standard: Euro 6
- Fuel Type: Gasoline
- Gross Vehicle Weight: 15-20T
- Maximum Torque: 1000-1500Nm
- Load Capacity: 11 - 20T
- Vehicle Model: BJ5045XLCEVK
- Chassis Model: BJ1045EVJAK
- Engine Model: FTTB064
- Power: 115kw/155horsepower
- Exterior Dimensions: 5995x2260x3265(mm)
- Interior Dimensions: 4085x2100x2100(mm)
- Tire Specifications: 7.00R16
- Wheelbase: 3360mm

Product Description

Factory Price Freezer Box Truck Foton 4x2 Cooling Van

Key Features

- Automatic Transmission with Euro 6 Fuel Standard
- New Refrigerator Truck with advanced cooling technology
- Pure electric operation with environmentally friendly design
- CATL lithium iron phosphate battery for strong endurance
- Jingjin permanent magnet synchronous motor for powerful performance
- Excellent insulation and significant refrigeration effect
- Practical interior design with comfortable driving experience
- Complete after-sales service including onsite installation

Technical Specifications

Attribute	Value
Model	Refrigerator Truck (BJ5045XLCEVK)
Transmission Type	Automatic
Condition	New
Horsepower	115kw/155hp
Emission Standard	Euro 6
Fuel Type	Pure electricity
Outside Dimensions (L×W×H)	5995×2260×3265 mm
Interior Dimensions (L×W×H)	4085×2100×2100 mm
Gross Vehicle Weight	15-20T
Maximum Torque	1000-1500Nm
Capacity (Load)	11-20T
Wheelbase	3360mm
Maximum Design Speed	90km/h

Product Overview

The Foton Zhilan refrigerated truck is an advanced pure electric vehicle designed for urban logistics and supermarket distribution. Its new energy technology provides an environmentally friendly and energy-efficient solution for temperature-controlled transportation needs.

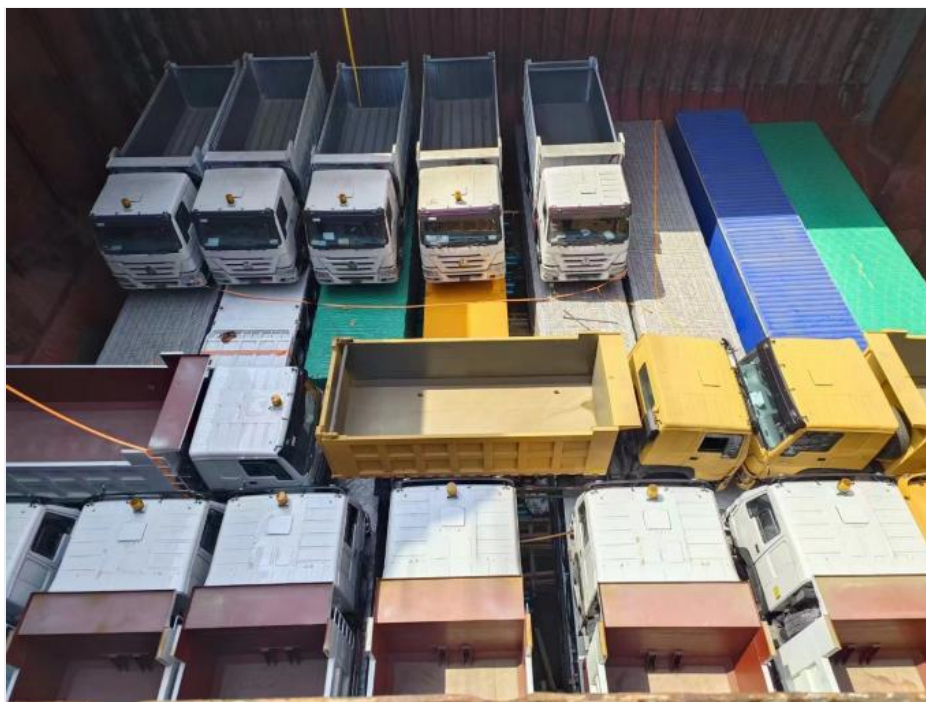

Packaging & Delivery

Our refrigerated trucks are carefully packaged and delivered to ensure they arrive in perfect condition. We provide comprehensive support throughout the delivery and installation process.

After-Sales Service

We provide comprehensive after-sales support including onsite installation and maintenance services to ensure optimal performance of your refrigerated truck throughout its service life.
